Provider Relief Fund Reporting Update and Registration

The U.S. Department of Health and Human Services (HHS), through the Health Resources and Services Administration (HRSA), is issuing new reporting requirements and will be amending the reporting timeline for the Provider Relief Fund (PRF) Program due to the passage of the Coronavirus Response and Relief Supplemental Appropriations Act.

The reporting requirements will apply to providers who received the Medicaid PRF funds. The reporting requirements released January 15, 2021, do not apply to funds from: Nursing Home Infection Control, Rural Health Clinics Testing, and COVID-19 Claims Reimbursement to Health Care Providers and Facilities for Testing, Treatment and Vaccine Administration for the Uninsured.

Additionally, providers who received PRF funds may register for gateway access to the Reporting Portal where they will ultimately submit their information in compliance with the new reporting requirements HHS is issuing.
